

# SALT FREE

## Salt remover

### ■ PROPERTIES

Active cleaning agent that removes salt stains and soap scum. It easily removes sea water stains, rust and limescale. Spray it once and in no time, without any scrubbing, it restores the lost luster of stainless steel and chrome fixtures, accessories and constructs.

### ■ APPLICATIONS

DUROSTICK SALT FREE is suitable for use throughout the household or the boat. Use it to clean and restore the lost luster in faucets and showers, tiles and bathroom accessories. Also suitable to use in stainless steel sinks, electric kettles, kitchen utensils etc. Ideal for cleaning salt stains from clay pots and

jars. Use SALT FREE to remove salt stains and rust from all the stainless steel parts of boats and maintain their impressive sheen.

Furthermore, it is deemed necessary for hotels and restaurants as well as hospitals and foodservice spaces in general.

### ■ USE

SALT FREE is a very powerful cleaner.

During application and even rinsing, the use of protective gloves is recommended.

Spray from a distance of 20-25cm and let the product act for 3-5 minutes. Following, rinse with plenty of water.
